TUITION REFUND INSURANCE

Tuition refund insurance is available. Given the substantial financial commitment that students and their families make to pay for an education at CUA, the university offers a voluntary insurance program that is designed to protect that investment should a student need to withdraw from the university for medical reasons. For more information, please visit the Student Accounts Web site at <http://treasurer.cua.edu/controller/sa/tuitionrefundplan> or call A.W.G. Dewar at 617-774-1555.
